

TATIANA BOUZDINE CHAMEEVA

CURRICULUM VITAE

Personal Data :

Born in Kazan, Russia.

Married, 3 children. Nationality Russian and French.

Actual position:

Senior Professor, Leader of Research Centre

"Decision, Management and Performance"

Bordeaux Business School, FRANCE

Professional address:

Bordeaux - Ecole de Management, 680 cours de la Libération, Talence 33405, France

Tel. : +33-556-84-2235 **Fax:** +33-556-84-5500

Email: Tatiana.Chameeva@bordeaux-bs.edu

EDUCATION :

1991 - HDR (Habilitation for supervising PhD Thesis), Information and Decisions, Moscow State University, Russia, October 1991.

1988 - PhD in Applied Mathematics, Moscow State University, Russia, January 1988.

1993 - Certificate of the MBA special program, Carlson School of Management, University of Minnesota, USA, June 1993.

1983 - MSc in Applied Mathematics, Moscow State University, Russia, 1978-1983.

PEDAGOGICAL EXPERIENCE

1999- now Bordeaux Business School, Professor, then Senior Professor (MBA, undergraduate and graduate programs: ESC, IMR, MBA, ISLI, IMPI, MIP): "Project Management" ; "Decision Tools", "Decision Analysis", "Business Statistics", "Data Models and DBMS", "Management Information Systems", "Managerial Decision-Making", "Introduction into Consulting", "Information and knowledge management"; (in English and in French); Simulation games.

2005 -now. ESTBB, University of Bordeaux 2: "Project Management",

1994-1995 IMD International and CIMID, Suisse, decision analysis and MIS courses in Executive programs.

1995/96/97 IBM summer Academy, Kerkrade, Pays-Bas, Executive programs.

1994 Warwick University, UK, Invited Professor,: teaching within the programmes MSc, MBA and Doctoral program.

1984- 1992 Moscow State University, Russia: researcher, then private-docent;

1988-1992 Center of Education and Research of Moscow State University, Russia, Assistant Professor, and then Associate Professor.

PROFESSIONAL EXPERIENCE

- System Analyst (Medtronic Incorporation, Minneapolis, USA),
- Software Analyst (Medtronic Incorporation, Minneapolis, USA),
- Consultant for American-Russian project (Green Giant, Division of Strategic Planning)
- Consultant for American-Russian project (Norwest Airlines)

FELLOWSHIPS and AWARDS:

6/95 - 6/96 ***Fellowship of the Ministry of Research and Technology of France***
Ecole Supérieure des Affaires, Université P.-M. France, Grenoble, France

9/92-6/93 ***Benjamin Franklin Fellowship***, USA

6/83 ***Diploma with Honour***, Moscow State University (1983)

1/79 – 6/83 ***Fellowships for excellence in studies***, Moscow State University

RESEARCH ACTIVITIES

Author of more than 100 articles and scientific papers in internationally recognized journals and presentations at national and international conferences in management science, applied mathematics, DSS and GDSS (see List of publications attached)

RESEARCH FIELD(S)

Cognitive Approaches in Decision -Making

Optimisation and Decision Analysis

Management Science and Mathematical Modelling in Management Science

Reviewer for international journals:

Decision Science

European Journal of Information Systems

Management Information Systems Quarterly

International Journal of Operations and Production Management

Supply Chain Forum

Editor-in-Chief of the International Business Management journal:

<http://medwelljournals.com/new/5/letters.php?id=5&theme=5>

Membership in committees and international associations

Institute For Operations Research and Management science (INFORMS)

Association for Business & Economics Research (ABER).

Organisation and Program Committees :

- The Programme Committee of ECIS -2007, Chairing track on "Information and Knowledge Management": http://www.ecis2007.ch/mod_docs/Call_for_Papers.pdf
- 4^{ème} Conference of the A2ID, Organising Committee ,Bordeaux, Mai 2005.
- ICIS 2004 (International Conférence on Information Systems)
- AIM (ASSOCIATION FOR INFORMATION AND MANAGEMENT) – Scientific Committee of the 8émé Congres, May 2003, Grenoble.
- ANNUAL INTERNATIONAL CONFERENCES ON SYSTEM SCIENCES from 2003 (<http://www.hicss.hawaii.edu>).

HOBBIES and OTHER ACTIVITIES:

Popularisation of mathematics and science - publication of a scientific journal for students "Quantum".
